

MICHIGAN STATE UNIVERSITY

IT Tech Training Series

The Libraries, Computing and Technology Training Program is pleased to offer a Pilot Technical Training Program at New Horizons in East Lansing. This is an opportunity to enroll in off-campus technical classes for some advanced training needs. The technical training series will take place during Fall Semester 2003 (September – December 2003). A no-cancel-guarantee is available for some classes; additional classes will have an outside instructor and require a deadline for enrollment and cancellations. All classes will be held at New Horizons of East Lansing at 2947 Eyde Parkway, Suite 210.

A complete LCTTP class schedule with dates, times and costs is available at our web site: <http://train.msu.edu>. IT Tech Training Series course information can be viewed at <http://train.msu.edu/classinfo/techseries.asp>.

Payment may be made by educational assistance, MSU department charge, check or credit card.

You can self-register at <http://lcttpenroll.msu.edu> or telephone registrations are accepted at both the AIS Help and Support Center (H&SC) at 353-4420 extension 311 and the Computer Store at 432-0700; ask for the Sales desk.
