About the Summit

Register today for the 2010 Student Success Summit, hosted by the Michigan Community College Association. Summit participants will engage in roundtable discussions focused on strategies and promising practices to engage student success at community colleges. Join a sharing of what's working, innovative models, and key learnings from statewide initiatives around college access and student success, such as *Achieving the Dream*, *Breaking Through*, and the *Michigan College Access Network*.

Who Should Attend

Community college leadership, administrators, faculty, policy makers, and community organizations, partners and stakeholders focused on working together to improve student access and success.

Why Attend

In addition to featured speakers, attendees will have the opportunity to participate in several informative sessions, learn about student success initiatives and emerging best practices and innovative models, and network with colleagues, partners and stakeholders across the state.

Summit Agenda

Summit tracks will include:

- College readiness and developmental education
- First year experience and engagement strategies
- Contextualized and accelerated pathways for adult learners with low basic skills
- Inclusiveness and diversity
- Community engagement
- Statewide college access initiatives

Registration

Registration is \$25 and includes lunch. Please send the registration form below and payment to the MCCA by August 13, 2010 (check payable to the Michigan Community College Association). **Don't delay – space is limited.** For more information, please feel free to contact Dr. Adriana Phelan, MCCA Vice President for Public Policy at (517) 372-4350 or anichols@mcca.org.
