

**We are making a major investment
in research into business education.**

Birmingham Business School

The Department of Management has been undergoing a period of expansion, making L/SL appointments in Business History, Comparative Industrial Relations, Managerial Economics and Chairs in Strategic Management, International Business and Employment Relations.

Lecturer/Senior Lecturer in International Business

Salary for Lecturer: from £36,715 to £49,342 a year

Salary for Senior Lecturer: from £45,155 to £68,302 a year

With research interests in strategic management and/or international business, you will contribute to teaching and research in the broad area of the strategies and practices of multinational corporations. You should have, or be close to obtaining, a Ph.D. in a relevant subject. Those seeking appointment at senior lecturer level should have a strong track record of publishing in internationally recognised journals and be able to demonstrate an ability to attract research funding.

Closing date for all posts: 18/02/2011

Ref: 44689
