Specify range or amount:

This advertisement is for a full-time, one-year teaching position (Visiting Assistant Professor or Visiting Instructor). In addition to applying online candidates should submit the following: (1) letter of interest (2) curriculum vita (3) list of three references (4) statement of teaching experience and philosophy.

General Info:

In addition to providing the names and contact information for three references, reference letters will also be requested from two references at the end of the online application process. References will receive an e-mail prompt that will request that they submit letters of recommendation online.

Position begins August 2011. Review of applications will begin on July 3, 2011 and will review continue until position is filled. James Madison University's Department of Geology and Environmental Science is dedicated to preparing undergraduates to be professional geoscientists, to be Earth science teachers, and/or to be citizens knowledgeable about the Earth.

Questions about these positions should be directed to Stephen Leslie (lesliesa@jmu.edu; 540-568-6144).

Duties and Responsibilities:

Teaching introductory geology (lecturers and labs) to non-majors and geology/Earth science majors, and teaching Earth science to future teachers of science.

Qualifications:

Ph.D. or M.S. in a geoscience field required. Previous teaching experience preferred.

Special instructions to applicants (This field includes all additional documents to be mailed as well as the mailing address):
