

India 2012

January 3 - 10, 2012 • Bangalore & Mumbai

Program Overview

Florida International University CIBER is pleased to announce the Fourth Annual 2012 Professional Development in International Business (PDIB) India. This PDIB is designed for professionals and faculty interested in pursuing their interests in the Indian business environment. Participants will experience firsthand how multinationals and leading Indian companies are riding the downfall, while simultaneously reshaping the Indian business environment resulting in a competitive India.

The program will take place in Bangalore and Mumbai, two of the most advanced and business forward cities throughout India. Participants will visit top multinational companies, such as Siemens, Welspun Limited, Caterpillar, and GlaxoSmithKline, as well as take part in lectures by leading academic experts. In addition to company visits, participants will visit historic cultural locations that have shaped the culture, economic and social customs of India.

Program Fee

The program fee is \$3,000 USD per participant. Program fee includes five-star hotel accommodations (single occupancy), domestic flight between Bangalore and Mumbai, all ground transportation, all breakfast, entry to cultural locations, and a welcome/farewell dinner. International airfare, personal and/or additional expenses such as visas, passports, and any other voluntary tours or excursions are not covered in the program fee. Double Occupancy is available at a reduced fee, please see our website for further details.

Registration Information

To register for this PDIB, please visit our website at <http://ciber.fiu.edu> and complete the online application form and other required documentation to the FIU CIBER office. Those interested in participating in this program should apply as soon as possible, as there is limited number of spots available.
