

# ***MichiganTech***

The Department of Biological Sciences at Michigan Technological University invites applications for a tenure-track Assistant Professor in the area of Mammalian Physiology. The successful applicant will hold a Ph.D. with postdoctoral experience, will be expected to establish a vigorous, externally funded research program, and must have a strong commitment to undergraduate and graduate education. Teaching requirements include Human Anatomy and Physiology and Medical Laboratory Science courses. For more information, visit our website [http://www.bio.mtu.edu/faculty\\_positions.htm](http://www.bio.mtu.edu/faculty_positions.htm)

For consideration, the application should include: 1) curriculum vitae; 2) description of future research (maximum 1 page); 3) statement of teaching interests and philosophy (max. 1 page); and 4) complete contact information for 5 references. A single pdf application should be submitted to:

mammphys@mtu.edu  
Department of Biological Sciences,  
1400 Townsend Drive,  
Michigan Technological University,  
Houghton, MI 49931-1295.

Application review will commence Dec. 15, 2011 and continue until the position is filled. Michigan Tech is also an ADVANCE institution, located in the Upper Peninsula of Michigan, one of a limited number of universities in receipt of NSF funds in support of our commitment to increase diversity and the participation and advancement of women in STEM. **In addition** to the present search, a search to fill ten growth positions in “Transportation” and “Water” are under way and qualified candidates are encouraged to send a separate application, following the “How to Apply” guidelines at [www.mtu.edu/sfhi](http://www.mtu.edu/sfhi). Michigan Technological University is an Equal Opportunity Educational Institution/Equal Opportunity Employer.
