## School of Management, Royal Holloway, University of London, Egham, Surrey

We are offering 12 posts as part of a planned expansion that will support our strategy for sustainable growth. Over the last two decades, we have achieved international excellence within several areas of management. We are now looking to reinforce and develop our strengths with applicants who can contribute to our high quality research and research-led teaching, and further increase the international reputation of the School.

For further information about the posts and the School of Management, including closing dates and salary information, please visit us at: <https://rhul.engageats.co.uk>

The College is committed to equality and diversity, and encourages applications from all sections of the community
