 Place: New Horizons Learning Center

2947 Eyde Parkway
 Suite 210
 East Lansing, MI 48824

Registration:
lansing.issa.org

An Official ISSA Event
 CPE Credits

Information Technology professionals are always challenged in finding ways to protect their IT infrastructure and assets. The Lansing Information Systems Security Association (ISSA) is hosting this third annual Netwars event to provide education and guidance on tools that will assist in responding to security events. Using a simulated attack and defend environment, industry experts will provide key concepts for a framework to guide in the everyday struggle of combating malicious intent.

Registration	Before	Door
Student	\$15	\$20
ISSA Member	\$30	\$35
General Public	\$40	\$45
