

**Annual Symposium
Emerging Issues in International Business
Friday, 9 November 2012
Melbourne Business School,
The University of Melbourne**

Initial Call for Abstracts

You are cordially invited to submit abstracts to the AIB-ANZ chapter annual symposium to be held on **Friday, 9 November 2012** at the Melbourne Business School, The University of Melbourne.

The theme of the symposium - 'Emerging Issues in International Business' has been deliberately kept broad in nature to reflect the diversity of research that arises within our academy. In particular, the symposium is primarily aimed at PhD students and academics in the early to middle stages of their careers, but more senior academics are certainly welcome to provide a broader perspective on the issues. This event should be seen as a paper development opportunity for future journal articles and research book publications.

One page abstracts up to 750 words should be emailed to Douglas Dow at MBS - d.dow@mbs.edu. Please include in the subject of your email: AIB-ANZ Symposium: <your surname>.
