

# This Summer Join the MSU Student Organic Farm Crew!

We grow over 100 different vegetable and fruit crops, plus cut-flowers and chickens, turkeys, pigs and honeybees.

The SOF Farm Crew is an **amazing learning opportunity!**

Summer farm work is *hot, dirty, and tiring* but extremely rewarding. We are looking for hard working, dependable people to work through our summer season (May-August) and *beyond*.

There are plenty of vegetables to eat and lots of great people!

Must be available from the middle of May through end of August

We prefer to hire workers who are interested in continuing to work on the SOF crew part-time during the school year and becoming active participants in the SOF community.

**Application deadline is March 9.**

For an application contact Dan Fillius at [fillius@msu.edu](mailto:fillius@msu.edu).
