

Purpose of the Workshop

The workshop aims to bring together scholars and stakeholders interested in issues such as diaspora, migration and international entrepreneurship to discuss and develop the emerging field of migration and diaspora entrepreneurship research, theory and application. The purpose is to connect researchers, students and other stakeholders to develop research papers and projects, to create thematic partnerships on a local and international level, and to distribute preliminary research results. The workshop also intends to attract papers for promoting the special issue of a journal and to trigger future research activities on migration and diaspora entrepreneurship.
