Submission Procedure

Researchers and practitioners are invited to contact the Editor-in-Chief, Bryan Christiansen, by **December 31, 2015** with any interest or inquiries regarding the submission of a book proposal to be considered for publication within the APMHBS book series. Editor(s) interested in submitting a book proposal will be provided a proposal form through which they may outline their plan for a full book project. Once the proposal has been received, the Editor-in-Chief will conduct a preliminary assessment to ensure the topics/themes being presented are relevant to the overall scope of the series. If approved by the Editor-in-Chief, the proposal will then be submitted to IGI Global's Acquisitions team as part of the company's formal assessment and review process. It is also requested that any interested editor(s) submit a copy of their CV/resume to accompany their proposal.

Publisher

All books to be published within the APMHBS book series will be scheduled to be published by IGI Global (formerly Idea Group Inc.), publisher of the "Information Science Reference" (formerly Idea Group Reference), "Medical Information Science Reference," "Business Science Reference," and "Engineering Science Reference" imprints.
