

1st Paper Development Workshop of the EURAM's SIG on Corporate Governance

28-29 September 2016, Valencia (Spain)

The EURAM's Strategic Interest Group (SIG) on Corporate Governance (COGO) is pleased to announce the first EURAM's COGO SIG Paper Development Workshop, in collaboration with:

- **Journal of Management Studies**
- **Corporate Governance: An International Review**
- **European Management Review**

The EURAM's Corporate Governance SIG focuses on research exploring the antecedents, characteristics, processes and consequences of corporate governance in organisations. It is particularly interested in topics related to Corporate Governance systems, Boards of Directors and Top Management Teams.

This workshop is aimed to help researchers, interested on these topics, to improve their papers in order to increase their chances to get published in top journals. With the collaboration of three of the most highly recognised journals in the COGO field, the workshop offers the opportunity to closely interact with editors of high-impact journals, and get direct and specific feedback that will help authors to further develop their papers and target top journals.

We encourage authors wishing to publish in top journals, especially those whose native language is not English, to submit their papers to the workshop and work jointly with our experts to increase their chances to deal successfully with the reviewing process of high-impact journals. All editors participating in the workshop will provide customised advice to the authors of a maximum of 4 papers (two per parallel session).

We look forward to receive your papers.

The EURAM's COGO SIG team.

Important dates and info:

Deadline for submissions (full papers): 21 June 2016

Announcement of accepted papers as of: 15 July 2016

Workshop dates: 28-29 September 2016

Fees:

First registered author of accepted papers: 250 EUR

Additional authors of accepted papers (attending session with editors): 110 EUR

Participants not presenting papers (attending only the plenaries): 70 EUR

Accommodation:

The organization will recommend hotels close to the University.

We have negotiated prices between 50 € and 70 € per night.

Submission procedure:

Send your full paper by e-mail to tmt@uv.es indicating which journal(s) would you like to target and whether the paper has been previously submitted to any journal or not.
