The **AIB-ANZ Chapter** meeting is an annual event held in collaboration with the **Australia and New Zealand International Business Academy (ANZIBA)**.

Scheduled at the transition period between teaching and the summer 'paper writing' season, the AIB-ANZ chapter meeting allows the region's IB researchers to come together as a community and network, be reinvigorated, and re-focus our research efforts prior to a summer of research productivity.

The meeting includes a research symposium on 11 November, where authors are able to present and receive feedback on their early-stage research ideas from peers, prior to working up papers for submission to journals or conferences such as ANZIBA, AIB and AOM. To benefit from this opportunity, a one-page abstract (up to 750 words) is all that is required.

Additionally, for those with more fully-developed 'draft' papers, the AIB-ANZ meeting includes a half-day paper development workshop, which will take place on 12 November. Facilitated by distinguished IB academics, this workshop will help you refine and develop your paper, to prepare for submission to high-quality journals (e.g., *JIBS*). Further details will be made available at: www.anziba.org

Deadline for submissions: Friday 19 August 2016

Authors advised of outcome: Friday 16 September 2016
