International Management Conference

11 and 12 November 2016

Theme: Management Challenges - 2017 and Beyond

Prague (Czechia)

The theme of the conference covers three upcoming management issues:

Organisational
Development

Workforce Diversity and
Multiculturalism

Process Improvement and
Technology

We are honoured to have as our guest speaker **Professor Henry Mintzberg** who will address the conference participants during the inaugural session.

Although further details as well as the Call for Submissions will be released within the next few weeks, due to limited capacity, we invite you to send an email to express your interest to attend the event: richard.brunet-thornton@vse.cz

On behalf of our partners and organising committee,
