

YOUNG ENTREPRENEURS *Academy*

In the **Young Entrepreneurs Academy** kids ages 11-18 learn how to turn their passions, skills, and talents into a real business! In YEA! students come up with a big idea, pitch that idea for real funding, and actually launch a fully formed, legally registered business —graduating YEA! as a CEO!

Instructors are successful, dynamic, creative types just like you. YEA! provides all of the curriculum, class lessons, PowerPoint slides, assignments, and even administrative support via a dedicated program manager.

Be a Part of the Next Big Thing as the **YEA! BIG Idea** Instructor

As the BIG Ideas Instructor you will:

- Teach students how to think outside of the box
- Guide students in drafting a business plan
- Help students brainstorm and identify the skills, talents, and passions that they possess and how those intersect with a viable business opportunity
- Spend three hours in the classroom and 30 minutes on a planning call, each week, for ten weeks

This class segment requires a spirited entrepreneurially-minded leader like yourself—and, we'd like you to deliver our exciting material. Exciting guest speakers will complement your lessons and help you get the next generation of CEOs excited about the power of entrepreneurship!

Student Spotlight: Tanner & Spencer Harrison

- Brothers, and co-CEOs Tanner & Spencer graduated YEA! in 2013
- The Wolf' Em Stick is a unique tool that creates tasty dough treats over a campfire, and is a pioneering product of their company
- Their first year in business, they sold over 2,000 units and were featured on local news channels.
