

POSITION TITLE: Education Outreach & Volunteer Coordinator
PRIMARY SERVICE LOCATION: Bay City, MI
RESPONSIBLE TO: Autumn Mitchell, Director of Education

BaySail is a nonprofit organization that prides itself on its award-winning, place- and inquiry-based, Environmental-STEM programming aboard our vessels, the schooners *Appledore IV* and *Appledore V*. Our classroom and shipboard programming fosters environmental stewardship for the Saginaw Bay Watershed and the Great Lakes Basin. Through education, immersion and outreach, we aim to grow a community of knowledgeable decision-makers who will exude a desire to protect these resources while also improving their quality of life.

BaySail seeks to expand our programming to accommodate community needs for classroom and other land-based opportunities. We are now offering a new and creative opportunity through the Huron Pines AmeriCorps program for a full-time member who will be responsible for planning and implementing new curriculum geared towards water quality issues for a variety of audiences with special focus on K-12 youth. Our ideal candidate is able to manage multiple tasks, has strong initiative and desire to learn, is outgoing and personable, communicates very well through both writing and public speaking and has a basic knowledge of natural resource management practices. Experience with outdoor education pedagogy and national science curriculum is preferred. Knowledge of limnology, current stressors affecting the Great Lakes and basic vessel operations is also a plus (training will be provided as needed).

SCOPE AND PURPOSE OF SERVICE: This position requires a 10-month commitment. This Huron Pines AmeriCorps member will serve closely with the Director of Education to design and implement new and existing environmental-STEM curriculum for a variety of audiences with special focus on K-12 youth from underserved populations. The member will work closely with local schools to provide teachers and students with training, programming and support in outdoor learning and habitat inventory and management. The member will also work diligently to grow BaySail's volunteer base while providing training and ongoing communication with all education volunteers.

Duties will be performed aboard ship, in classrooms, in the field and in an office setting. Members are expected to occasionally lift up to 50 lbs., regularly ascend and descend stairs and ladders and regularly board our flagship program vessels during the sailing season. The position will require a flexible schedule with some service on nights/weekends. Some overnight stays may be required. The position will require frequent travel to local schools, meetings and training with mileage reimbursement.
