JOIN US! MSU BUSINESS INCLUSION SUPPLIER EXPO

Michigan State University Purchasing invites you to attend the Business Inclusion Supplier Expo. Our goal is to provide business opportunities to approximately 100 minority-owned, woman-owned, veteran-owned, and other diverse businesses by connecting them with the MSU community and YOU—our existing MSU suppliers and purchasing buyers from peer academic institutions.

▶ WHY HOST THIS EVENT?

We believe a strong, vibrant MSU is predicated on our ability to offer business opportunities to a broad and diverse range of suppliers. It is vital to a dynamic university, a more robust economic climate, and, ultimately, a more prosperous Michigan. In an ever-changing world that requires diverse solutions, it makes good business sense.

Join us for this unprecedented opportunity to connect with small and diverse suppliers!

▶ REGISTRATION

As a non-exhibitor, your admission is free. However, we ask that you register so we can get an accurate attendee count. Registration deadline is March 16, 2018.

The event will be hosted at the Breslin Center, home of MSU Spartan basketball.
