How Your Contribution To Auction 2019 Helps

The Junior League of Lansing is an organization of women committed to promoting volunteerism, developing the potential of women and improving the community through the effective action of trained volunteers. Its purpose is exclusively educational and charitable. A volunteer powerhouse in the greater Lansing community for over 50 years, the JLL is well known for the valuable volunteer hours and critical financial support members have provided for many of the community's most successful non-profit organizations.

The Capital Area Humane Society is a local and independent non-profit organization that serves the greater mid-Michigan area to promote the humane treatment of companion animals through protection, placement, education and example. CAHS envisions a community that values the human-animal bond and where all animals are healthy and safe.

The School of Hospitality Business/The School of Hospitality Business Alumni Association Destination Auction began in 1991. This annual event is a major fundraising extravaganza bringing together the efforts of hospitality business students, faculty, and staff, as well as alumni and industry leaders. Net proceeds are divided between the student Hospitality Association and The School of Hospitality Business Alumni Association to support programs and clubs within both organizations. In the past the Auction Committee has chosen different charitable organizations to share in the proceeds from the event. This year a share of the net proceeds will be donated to the Junior League of Lansing and the Capital Area Humane Society.

The mission of the Hospitality Association (HA) is to create and refine hospitality business leaders by providing forums for academic growth, industry experience, leadership roles, and career-enhancing opportunities and by encouraging social interaction and the development of student unity within The School of Hospitality Business. HA provides assistance with student travel to industry conferences; hosts roundtable discussions; organizes industry tours, sales blitzes, and culinary demonstrations; presents two graduation celebrations; and provides many exciting leadership activities. HA provides funding to nine clubs and the three major events each year in The School of Hospitality Business.

The School of Hospitality Business ALUMNI ASSOCIATION

The mission of The School of Hospitality Business Alumni Association is to provide active leadership in support of the mission of The School through membership participation, image enhancement, financial commitment, and promotion of synergies among students, faculty and staff, alumni, community, and industry partners. The School's Alumni Association hosts two national alumni award receptions, two national meetings, a Homecoming Tailgate Reception, and numerous regional meetings each year.
