

Unlocking Healing with Real Food

Dan Kittredge, presenter

Bionutrient Food Association

Join us for a memorable evening with Dan Kittredge, organic farmer and executive director of the Bionutrient Food Association and the Real Food Campaign. Dan connects the dots between how our food is grown and human health.

Cost: \$10

Online Registration:

LEARNING FOR LIVING!

- Why human vitality depends on soil vitality
- “Root causes” and systemic solutions for the current epidemic of chronic degenerative illness
- Market and community-driven strategies for reforming our food system; healing our environment and ourselves by producing and consuming the best quality food

Cross W Ranch

3111 Pinckney Rd.

Howell MI 48843

Thursday February 28, 2019 7-9pm
