NOTIFICATION OF JOB OPENING

Open/Closed Competitive

Job Title: Field Technician (full-time temporary 3 months)
Department: Environmental Services
Location: ITC Central Office, Sault Ste. Marie, MI

The Inter-Tribal Council of Michigan, Inc. (ITC) is a state chartered 501 C3 non-profit organization consisting of twelve federally recognized Indian Tribes in Michigan. We offer a variety of services such as Child & Family, Educational, Employment and Health Services. Full-time permanent positions receive group term life insurance, short and long-term disability insurance, health insurance (BCBS) and a 401(K) Retirement plan. ITC also provides paid leave each year for 14 holidays, 3 personal days, minimum of 13 days vacation and 13 days sick for eligible employees/programs. Please visit our website at www.itcmi.org
Equal Opportunity Employer.

Job Summary:

We are looking for a motivated individual to conduct a three month project on forest assessments beginning May/June 2019. Geo reference locations and findings using a GPS. Collect a variety of data including forestry, botanical, and geographic measurements according to standardized protocol and field procedures. Record all measurements utilizing a portable data recorder. Complete accurate and concise plot summaries. Actively participate in the safety program, assisting in identifying hazards and mitigating actions. Work is performed indoors and outdoors (forests and wetlands) in all types of weather. Requires strenuous physical activity: periods of standing, walking, lifting and carrying objects up to 35#.

Remuneration: \$16.00 per hour

Job Specifications:

Experience collecting forest inventory or forest ecology data. Must be able to use GPS and GIS. Must be able to interpret standard procedures and consult field guides. Experience with topographic maps, compass and aerial photos for navigation. Preference given to qualified Native Americans.

Send resume' and verification of Native American status (if claiming preference) to:
