Reg.-Nr. 109/2019

Deadline 31st May 2019

**FRIEDRICH-SCHILLER-
UNIVERSITÄT
JENA**

Friedrich Schiller University Jena connects visions and people, science and society, higher education, and external research institutions. As Thuringias biggest higher education institution, Friedrich Schiller University excels in both first-rate teaching models and excellent interdisciplinary research, making the Jena science region a beacon of international brilliance. Rooted in the heart of Germany and reaching out to networks all over the world, the University of Jena and its partner institutions create a vivid and prolific scientific and economic region.

Beginning from 1st of October 2019 the Chair of Strategic and International Management of the Economics Faculty of the Friedrich Schiller University Jena is offering the post

Research Assistant / PhD Candidate

Job Specification:

- Autonomous organisation of teaching related tasks (lectures, seminars, tutorials, etc)
- Support in the examination process and other teaching related and administrative tasks
- Support of and active participation in research grant applications
- Active participation in seminars, further education and conferences
- It is expected that the candidate works a PhD project, which is related to research of the Chair.

Qualification:

- Completed masters studies degree at a University in the fields of business and management and organization studies
- excellent skills in German and English language
- research interests in respective fields are required

We offer:

- cash allowance: e.g. employment benefits to encourage capital formation, ticket for public transport, company retirement scheme (VBL)
- An exciting field of activity and creative leeway
- An in-house health service and family-friendly environment with flexible working hours

The position is limited to three years. An extension is possible. It is a part-time position (75%). Salary will be paid according to TV-L (salary agreement for public service employees) up to payment category E13, depending on the personal qualifications. Severely disabled people with equal qualification and aptitude are given preferential consideration.
