

# E-TEAM GRANT PROGRAM

**QUALIFICATION PHASE DEADLINE:**  
August 21

**STAGE 1 APPLICATION DEADLINE:**  
October 2

**NEXT WORKSHOP:**  
Pioneer: January 9-11, 2020  
Boston, MA

Every year, the VentureWell E-Teams Grant Program awards over \$650,000 total in grant funding to early-stage science and tech student startups who are on the path to launching innovations with a social, health, or environmental impact.

## NEW: qualification phase proposal

Submit a one-page executive summary qualification proposal and learn within a week whether your innovation qualifies for our program—prior to obtaining VentureWell membership and completing your Stage 1 proposal. Those who submit a qualification phase proposal will receive personalized one-on-one feedback that they can use to strengthen their Stage 1 proposal.

*Teams do not need to be VentureWell members to submit a qualification phase proposal and receive feedback.*

## e-team program benefits

**Up to \$25,000 in grant funding**  
Unlock \$5,000 in Stage 1 and \$20,000 in Stage 2 grant funding to launch your venture.

**Sponsored training**  
Attend a fully-funded training workshop and explore possible pathways for your venture.

**Networking & mentorship**  
Tap into the VentureWell mentor and E-Team network, with the potential to connect with investors and strategic partners who can transform your venture.

**National recognition**  
E-Teams members have been named on Forbes "30 Under 30" list, appointed as AAAS-Lemelson Invention Ambassador, and appeared in the New York Times, National Geographic, and more.

## the e-team impact

**800+**  
entrepreneurs trained  
through E-Teams

**180+** E-Teams have  
launched ventures

**\$122M+**  
in follow-on funding has  
been raised by students  
since taking part in E-Teams
