

Michigan Family Farms Conference 2020

Each year, MIFFS hosts the Michigan Family Farms Conference (MFFC), a forum for beginning, small-scale, and culturally diverse farmers to network, learn, and build sustainable family farms. This year we have chosen the theme **"Nurturing Resilient Farms - 2020 & Beyond."** It gives us great energy to release the Request For Proposals (RFP) for both the keynote speaker(s) and workshops. Click [here](#) or go to miffs.org/rfp to submit your proposal(s). It is quite a few months away but it will be here before you know it! Even if you do not have a presentation of your own, we would like to hear your ideas for workshops or keynote speakers. Click on the same RFP to send us your thoughts.

We are excited to announce that we will be hosting a design competition for a new MFFC logo this year! Click [here](#) for more information about the dimensions, file type and how to submit. The chosen logo creator will receive five free tickets to the conference as well as recognition across our social platforms as well as at the conference. We look forward to many new ideas for the 17th annual Michigan Family Farms Conference.
