

PAID INTERNSHIP OPPORTUNITIES- FIND YOUR PATH

The Minnesota Department of Natural Resources (DNR), one of Minnesota's largest state agencies, offers a broad range of paid internships for college students. Internships are available at locations across the state. As an intern you'll work with dedicated professionals to create a healthy, sustainable, livable Minnesota for generations to come.

We are currently seeking up to 200 interns in the following areas:

- Accounting
- Aquatic Invasive Species
- AIS Watercraft Inspector
- Aquatic Plants
- Aquatic Vegetation
- Fish Habitat in Streams
- Fisheries Education
- Fisheries Management
- Forestry Management
- Interpretive Naturalist
- Lake Habitat Restoration
- Land Survey
- MinnAqua
- Mississippi River Fish
- Mussel Propagation
- Mussel Survey and Monitoring Diver
- Natural Resource Management
- Naturalist Corps
- Outreach and Information
- Park Operations
- Park Security
- Plant Ecology Monitoring
- River Crew
- Waterfowl Banding
- Wildlife Management
- Wildlife GIS

Opportunities will be available to apply online from January 2 – 31, 2020.
