

Saucon Valley Country Club

Food & Beverage Service Intern

Brief Job Description

Saucon Valley Country Club is seeking highly motivated students aspiring to become Club Leaders to take part in our Food & Beverage internship program. Interns will hold a primary focus on Food and Beverage service while completing self-directed rotations throughout other departments gaining experience and exposure to club operations. The club will be celebrating it's 100th year in 2020 and interns will assist in Club events that will heavily take place during the summer months. Interns will take part in conducting bi-weekly book club meetings learning how to arrange and present meeting standards.

Duties

- Conduct excellent service in each dining room during rotation
- Create the total member experience
- Menu comprehension
- Point of sales
- Build on proper service techniques
- Build Wine knowledge
- Schedule and plan departmental rotations
- Conduct Team Leadership meetings

Qualifications

- Currently enrolled in 4 year Hospitality or Business program.
- CMAA membership required
- Available Summer 2020 (May- August)

Benefits

- Fully Furnished housing provided (Subsidized)
- Competitive hourly wage
- Free staff meals
- Network with CMAA professionals
- Club tours
- Food & Beverage training
- Opportunities to participate in local CMAA events
- Learn leadership skills & book study
- Monthly one on ones with General Manager
