

# Saucon Valley Country Club

## Food & Beverage Supervisor Intern

### Brief job Description

Saucon Valley Country Club is seeking highly motivated students aspiring to become Club Leaders to take part in our Food & Beverage internship program. Supervisors will be responsible for overseeing service in their perspective dining venue. The supervisor will ensure club policy is followed by staff and membership and promote the total member experience. The club will be celebrating it's 100th year in 2020 and interns will assist in Club events that will heavily take place during the summer months. Interns will take part in conducting bi-weekly book club meetings learning how to arrange and present meeting standards.

### Duties

- Performs as daily shift supervisor
- Monitors service and staff to ensure a total member experience
- Take part in interviewing and hiring summer staff
