

# Summer Internships Available Hillwood Country Club in Nashville Paid Housing & Compensation

Prestigious private country club in West Nashville has positions available for several summer interns. Hospitality experience and enrollment in hospitality management college program preferred and transportation required. As an intern at Hillwood, you will be exposed to family and fine dining, golf operations, pool operations, tennis operations, fitness operations and financial reporting and results. You will interact with and report to professional, experienced managers. Our interns will work a forty-hour week (generally a five-day schedule). In addition to being a paid internship, you will enjoy employee meals on duty and entirely paid quality housing. Excellent training, improving career opportunities, fantastic “work family” and spending the summer in Nashville! Please send resumes to:
