

SAFS

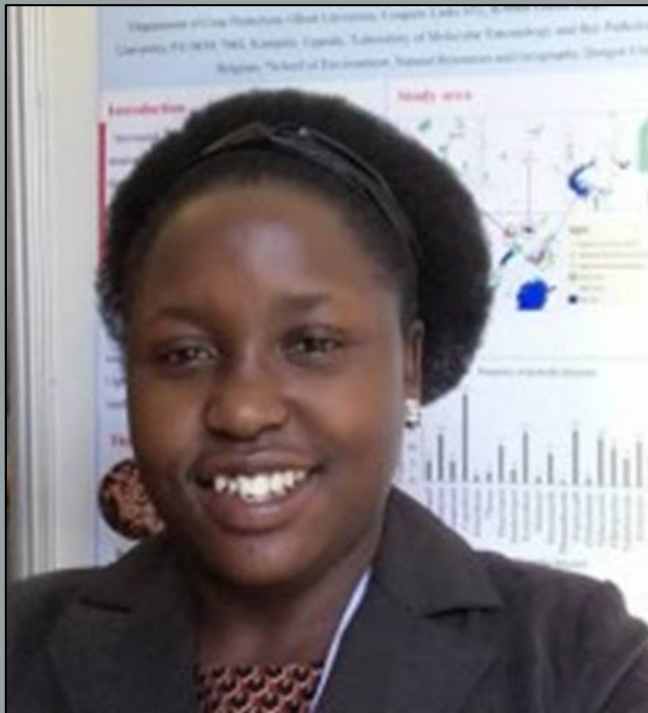

SUSTAINABLE AGRICULTURE
& FOOD SYSTEMS

EFFS

ECOLOGICAL FOOD
& FARMING SYSTEMS

The SAFS undergraduate minor & EFFS graduate specialization programs invite you to join us for

Coffee & Community

Dr. Deborah Ruth Amulen,
Visiting scholar from Uganda

Dr. Amulen, a fellow originally from Uganda, is deeply passionate about insect research, product development and community resource mobilization towards harnessing beneficial insects. Come learn more about her postdoctoral research with black flies and bees here at MSU.

Coffee and light snacks are provided

Director Matt Grieshop & Coordinator Julie Cotton will be available for questions

Wednesday March 11th, 2020 10am-12pm
Plant and Soil Science Building,
Second Floor Breakroom - Room A246
