EDUCATION

Colorado State University, Fort Collins, CO

May 20XX

Bachelor of Science in Natural Resource Management, Minor in Business

Coursework (Undergraduate):

Principles of Plant Biology

Natural Resources Sampling

Integrated Ecosystem Management

Ecology

Introductory Soil Science

Public Relations in Natural Resources

Forest Ecogeography

Forest Biometry

Principles of Watershed Management

Forest Ecology

Principles of Range Management

Geospatial Applications in Natural Resources

Plants and Civilizations

Economics of Forest Environment

WORK EXPERIENCE

Biological Technician – Plants (GS 404-5/1), US Forest Service-Canyon Lakes Ranger District May 20XX - Aug. 20XX

Biological Technician – Plants (GS 404-4/1), US Forest Service-Canyon Lakes Ranger District May 20XX - Aug. 20XX

2150 Centre Ave. Bldg. E

Hrs/Week: 40

Fort Collins, CO 85256

Starting Salary: \$28,412/Yr.

Supervisor: Candice Jones, Rangeland Management Specialist, (970) 295-1234 (may contact) Ending Salary: \$32,980/Yr.

- Surveyed and monitored priority areas of the Arapahoe/Roosevelt National Forests for noxious weeds.
- Recorded location of weeds utilizing GPS/GIS techniques.
- Applied correct treatment for specific plants at the appropriate stage of growth, in accordance with Forest Weed Management Plan.
- Recorded and tracked relevant field data for subsequent database reporting.
- Utilized backpack sprayers, truck sprayers and UTV with sprayers to apply herbicide.
- Worked with district volunteers groups to hand pull noxious weed.
- Released biological control insects on leafy spurge.
- Led daily/weekly tailgate safety sessions with work crew; participated district safety meetings presentation.
- Operated a US Forest Service 4x4 truck and towed a trailer with UTV and chemical tanks.
- Received a certificate of merit for meeting the 2008 treatment and inventory targets for Canyon Lakes Ranger District Noxious Weed Program and the ability to handle the complexities of the job.

Natural Resource Ecology and Measurements, Colorado State University

July 16, 20XX - Aug. 10, 20XX

Fort Collins, CO 80523

Hrs/Week: 40+

Professor: Paul C. Layden, (970) 491-1234

- Participated in a four-week summer field session at CSU's outdoor campus applying field knowledge of fishery biology, forestry, natural resource management, rangeland ecology, wildlife biology, and navigation.
- Estimated water flow, stand density, wood volume and productivity.
- Identified 19 different species of grasses, 31 common forbs, 28 common shrubs, 13 native trees and 70 wild animals.
- Navigated with map, compass and GPS.

Field Worker (Applicator), Colorado Mosquito Control

May 20XX - Aug. 20XX

318 North Garfield, Third St. Loveland, CO 80537

Hr/week: 40
Salary: \$7.50/Hr.

- Drove truck and trailer with mowing and weed cutting equipment.
- Mowed lawns and pulled weeds for houses and apartment complexes.

SKILLS

Herbicides Application:

- Roundup
- Weed master
- Curtail
- Banvel
- 24D
- Milestone
- Plateau
- Tordon

Noxious Weeds Identification and Treatment:

- Bull Thistle
- Musk Thistle
- Canada Thistle
- Scotch Thistle
- Leafy Spurge
- Bouncingbet
- Orange Hawkweed
- Yellow Toadflax
- Dalmation Toadflax
- Spotted Knapweed
- Diffuse Knapweed
- Houndstongue
- Dame's rocket
- Common teasel
- Poison hemlock
- Common mullein
- Hoary cress

Driving and Equipment Operation:

- ATV (with sprayers, trailers, motorized hopper)
- UTV (with sprayers)
- Chain saw
- Skid steer (bobcat) (with forks and bucket)
- Front-end Loader (with forks and bucket)
- Tractors for Farming (implements used include sprayers, tiller, brush hog, hay baler)
- Certified training with the US Forest Service for ATV/UTV operation
- Certified for Trailer Towing with the US Forest Service

General Ranch Knowledge:

- Built fences: Vinyl, Chain link, Smooth wire, Barb wire, any type of wood fence
- Built barns
- Distinguish classes of cattle and livestock
- Flood irrigation systems

Chemical use for mosquito larva treatment:

- BTI and Mineral oil
- Backpack sprayer application

COMMUNITY LEADERSHIP

- Eagle Scout with 3 palms
