CRITICAL DIALOGUE

GRADUATE GLOBAL EDUCATION

VIRTUAL

FRIDAY, AUGUST 7, 2020

10 A.M. - 1 P.M. EDT

This Critical Dialogue is an opportunity for colleagues to share information about global graduate education across disciplines, learn from each other about innovations and best practices, identify ways to collaborate across campus, and discuss how the 6th edition of the *Standards of Good Practice* can be applied to graduate programs.

The Forum's Critical Dialogues bring together no more than 50 participants and facilitators in an informal setting for facilitated, collegial discussion focusing on issues of concern to the field. Critical Dialogues provide participants with the time and space to explore significant topics in depth. Spontaneous and authentic discourse is the goal. The discussion is facilitated by experts from inside and outside the field, yet largely free-form and unscripted.
