

## » Grand Traverse Resort and Spa 2021 Summer Internship Program «

Grand Traverse Resort and Spa will offer a unique paid summer internship experience for 2021 in a variety of departments for a variety of majors and minors. Each internship may require specific skills and abilities, but there is one main prerequisite to be admitted—this internship must be required for your college program.

Check out what sets us apart!

**Welcome gift:** When you get accepted, you'll receive a welcome gift to help prepare you for the fun-filled and challenging experience that a GTRS internship offers.

**Intern Orientation, Tuesday, May 11:** We'll start your summer off right with a New Hire Celebration designed to introduce you to your fellow interns and company culture and traditions. Afterward, our interns will take part in an outing where they'll get a chance to meet with Resort leadership.

**Bi-Weekly Meetings:** Every other Wednesday, our interns will meet for lunch and a chance to hear from members of our Executive Committee who will share insights on such topics as financials, culture, and the challenges of finding and retaining staff.

**Event Planning:** Members of this year's class will pair with one or more of our various employee committees (Employee Recognition, Green, Impact, Safety, and Wellness) to plan events that hit all of three goals outlined in the GTRS mission statement:

"We believe that anything is possible and will create grand experiences for our guests, our members, and ourselves. We hold our local community in high standing and will maintain a positive stewardship of our environment."

- 1) Benefit to the Associate
- 2) Benefit to the Community
- 3) Benefit to the Environment

**Final Presentations August 9:** Here's a chance to show off what you accomplished this summer, whether it's a deeper dive into one of the special events you helped plan, a critique of your department or training program, or just an overview of your experience. This can be an independent or group presentation. We'll invite Resort leaders, and if you'd like to invite your parents or loved ones, feel free.

**Graduation luncheon:** After the final presentations, we'll sit down to a graduation feast, present you with your certificate of completion, and send you off in style!
