**The North Carolina Aquarium on Roanoke Island** is located in Manteo, NC and is nine miles from the Atlantic coastline in Nags Head. The 61,000 square-foot facility is sited on 16 acres overlooking the Croatan Sound and houses over 1600 animals in its collection. Over 280,000 guests visit the aquarium each year to see the largest collection of sharks in North Carolina, learn about sea turtle conservation, participate in a variety of programs, enjoy the beauty of the area, and think about how special North Carolina's waterways are.

Weekend, evening and holiday work required. Occasional travel is required for Aquarium programs. Must meet DNCR Fleet Safety Guidelines and have ability to obtain and maintain a valid driver's license.

If selected for hire, prior to first day of work a background check will be completed. A skills assessment may be conducted during the interviewing process for this position.

### **Description of Work:**

This is a seasonal position, slated to be filled March through November 2021.

Special Activities at the NC Aquarium on Roanoke Island are hands-on programs with small groups of participants, ranging in duration from one to several hours at a time. Such programs include but are not limited to: children's summer camps (one-day and week-long, non-residential), kayaking outings, stand-up paddleboarding, crabbing and fishing, marine animal programs, behind-the-scenes tours, virtual programs, toddler programs, birthday parties, overnight programs, dissection labs, beach ecology trips, and salt marsh field trips. Special Activities Instructors will both assist with these activities AND lead programs independently. Daily requirements of the instructor will include conducting programs, leading summer camps, handling live animals, driving a fifteen-passenger van with field trip participants, occasional office work, staffing the public galleries, routine cleaning, and other duties as assigned by the Special Activities Coordinator and Education Curator.

Applicants should be articulate, enthusiastic, and have a strong work ethic. Prior experience working with the public, adaptability to different teaching situations, the ability to work well with others, a flexible schedule, CPR & First Aid certification, and a valid driver's license are all **required**. (CPR/First Aid Certification must be obtained within the first month of employment, if not already acquired.)

The following skills and/or current certifications are **preferred**: Lifeguard Certification, kayak/stand-up paddleboarding experience, teaching experience, water safety skills, experience working with children, animal handling experience, a working knowledge of Outer Banks flora and fauna, and a degree (or pursuit of a degree) in Biology, Marine Sciences, Natural Resources, or a related field. Candidates must be able to lift at least 50 pounds and be able to spend extended periods of time outdoors.
