About the Club

Located on the shores of Little Traverse Bay in Harbor Springs, Michigan, the Little Harbor Club is situated in one of the most beautiful settings in the United States. The crystal clear water and sandy beaches have attracted summer residents from around the county for many years.

Since its opening in 1930, the Little Harbor Club has been recognized for its outstanding food, facilities, and personal service to all of its members and guests. Our busy summer season requires employees to learn quickly all that's involved in maintaining our high level of service.

The Club is open from mid-June through early September. Lunch and dinner are served seven days a week, along with a full slate of private parties and special functions. Members also enjoy the Club's tennis courts and swimming pool.

Little Harbor Club is looking for motivated, energetic, and friendly people to fill a variety of staffing needs. Competitive wages, a season's-end bonus program, and a fun working environment combine to make the Little Harbor Club an ideal summer employment opportunity.
