

JOIN OUR READY FORCE® TEAM

ADVENTURE. FLEXIBILITY. AUTONOMY.

ESSENTIAL WORKFORCE

We are actively recruiting for Roving Utility Foresters who are looking for an opportunity to work in beautiful California!

This role will provide qualified and motivated applicants the opportunity to gain experience in supporting enhanced vegetation management work as a rover for Pacific Gas & Electric.

The right candidate must hold a 4-year degree in Forestry, Environmental Science, Arboriculture, Biology or a directly related field. The ability to identify local trees and have knowledge of growth rates is preferred but not required. If this isn't right for you, maybe you know someone who might be interested. Please, feel free to tell them about it!

Pay range: \$18 to \$25 dependent on experience

Per diem: Rovers receive daily per diems (7 days per week!) and hotel accommodations are provided.
