Job Posting: Lakes Management Project Leader

Savin Lake Services (SLS) is a fully integrated lake and pond management company operating throughout the State of Michigan, and Indiana. Currently, SLS is seeking a motivated individual to fill our Lakes Management Project Leader position based out of our main office located in Hale, Michigan. The Lakes Management Project Leader position consists of a year-round job opportunity starting in April / May of 2023. This position is perfect for someone who desires to live UP NORTH in Michigan, enjoys working outside, around our many inland lakes, and is seeking a career in lake and pond management with long term potential for growth.

Salary

- Starting \$ 45K / year, or commensurate with experience.
- Blue Cross Blue Shield Health care provided after (3) month waiting period. Company pays 60% of cost.
- Attractive 401K with company 100% match up to 4% of salary.
- Weekends and holidays off.
- Paid holidays.
- On the job training and paid certifications.
- Company funded Short Term, Long Term Disability plans, and \$ 50K in Life Insurance

Job Description

The Lakes Management Project Leader position is a full-time, year-round job opportunity.

Daily duties include:

- Onsite management of aquatic plants and algae with approved herbicides during summer months.
- Applying aquatic herbicides within State & Federal rules & regulation.
- Maintain accurate daily records.
- Daily operation of boats, trucks, etc.
- Assist in warehouse inventory management.
- Fountain & aeration maintenance.
- Customer relationship management.
- Equipment maintenance and repairs.

Requirements

- Ability to obtain Department of Transportation (DOT) card (we will assist with this)
- Ability to obtain commercial pesticide applicator license with Core, Category 5 and 6 and Aerial (we will assist with this)
- Excellent verbal skills and ability to follow direction.
- Ability to lift 50 pounds.
- Available Monday through Friday from 7 am to 5 pm most days, sometimes longer during summer months.
- Some experience in boat and truck operation is beneficial, but not required.
- Wildlife and Fisheries degree preferred.
- Possess a valid Michigan driver's license.
- 18 years of age

Location

- Hale, Michigan

Interested individuals should submit a resume or letter of interest to mattnovotny@lakeandpond.com. Potential candidates will be contacted for an interview process in April, 2023. Positions are expected to be filled by Early-April with starting dates following soon after.
