

IIM Ahmedabad

Open Rank Tenure Track Positions in Strategy

Indian Institute of Management Ahmedabad (IIMA) invites applications for Assistant/Associate/Full Professor tenure track positions in Strategy.

Requirements:

Applicants for the Assistant Professor positions should possess a Ph.D. degree in strategy or entrepreneurship domain from a recognized university (AACSB OR EQUIS-accredited), or they should be in the last phase of PhD in a recognized university. They are expected to have an impressive research record or work-in-progress for top-tier journal publications.

Applicants for the Associate Professor or full Professor position must have a strong track record of high-quality research and at least six years of teaching excellence at the MBA/EMBA level. In addition, applicants must have a primary expertise in strategy and/or entrepreneurship domains with sufficient visibility and impact in the global academic community. It would be helpful, but not required, to have secondary expertise in Mergers and Acquisitions. Appointment with tenure requires a formal review.

The faculty hired for these positions will be based in the IIMA, Strategy Area. Strategy faculty at IIMA takes a multi-disciplinary approach, leading to publications in premier journals, such as the Strategic Management Journal, Journal of International Business Studies, Research Policy, Journal of Business Ethics, Journal of Management Science, California Management Review etc.

Application:

Review of applications and shortlisting decisions will be on an on-going basis until the positions are filled. Only shortlisted candidates will be notified.

Applicants are required to submit their applications (cover letter, CV, research statement, and teaching statement) to the Dean-Faculty— available at dean-fac@iima.ac.in—or to the Chairperson of strategy—available at chr-str@iima.ac.in.

Meeting at AIB Conference in Warsaw:

Strategy area chairperson (Prof. Chitra Singla) can meet the interested candidates during the upcoming Academy of International Business (AIB) conference in Warsaw, Poland and address doubts, if any. The recruitment process will start post AIB conference.

Interested candidates who are keen on meeting the Chairperson of Strategy at AIB conference in Warsaw can drop an email on chr-str@iima.ac.in to fix a mutually convenient time for the meeting.

Key Benefits of joining IIM Ahmedabad:

IIM Ahmedabad offers an internationally competitive salary and research funding commensurate with the faculty candidate's qualifications and experience. It provides academic freedom and tremendous research support to faculty. It also provides freedom to balance the mix of research and teaching as per the faculty's preference. In addition, IIM Ahmedabad provides an opportunity to contribute to the practitioners' world via consulting assignments and executive education programmes.

About IIM Ahmedabad (India):

IIM Ahmedabad is a leading business school in Asia.

IIMA is EQUIS-accredited and is ranked number 1 in India (NIRF ranking). IIMA is currently ranked at number 51 in the 2023 Financial Times (FT) Global MBA ranking. The institute is known for bridging the gap between researchers and practitioners by giving both kinds of opportunities to its faculty and research community. It strives for excellence in business education and creating global leaders for the corporate world. IIMA firmly believes in diverse and inclusive culture.

You can visit the institute's website to know about the institute's vibrant research and teaching community and enthralling infrastructure. Visit: <https://www.iima.ac.in/>

About Strategy Area:

The Strategy area of IIMA is known for bridging the gap between theory and practice by staying connected with and relevant to the academic, consulting, and practitioners' worlds. The area has a vibrant group of faculty and provides opportunities to do research, teaching, and consulting in various domains of strategy, international business, and entrepreneurship. Current faculty research work spans in diverse domains such as international business, family business, entrepreneurship, dynamic capabilities, cross-border M&A, taxation, Intellectual property rights, business sustainability. Research work of the area faculty is published in the top tier journals on a regular basis. The area takes pride in pioneering the case method pedagogy in India with a focus on strategic decision making.
