

Summer Job Opportunity!

Fish and Wildlife Technician II

The Fish and Wildlife Technician II position:

- ◆ 7 days/week 6hrs/day, 19.65/hr with 3.5 hrs OT each week, with more OT during camp opening/closing.
- ◆ Daily/weekly duties include enumerating salmon through a tripod weir, taking scale samples, length, and sex (~600 ASL samples over the season).
- ◆ Duty station located on Saltery Creek near the lake outlet. Amenities consist of a two-bedroom cabin (fridge, oven, heater, water system), gear shed, workshop, shower stall, and an outhouse. ATV access with lots of bear and public interaction.
- ◆ The job starts ASAP (latest start date is June 19th) and goes until August 15. ADF&G will provide firearms (870 shotgun) and other safety trainings while out in the field. The FWT II will work with one other FWT III.
- ◆ Food is paid for while out in field camp.
- ◆ Qualifications are a High School degree.
