**SUMMARY:**

The incumbent will act as the Airport Wildlife Biologist assigned to the Anchorage International Airport (ANC) to schedule, plan, and implement a year-round wildlife hazard management program. The Biologist will oversee a team of five Wildlife Specialists which include one Wildlife Coordinator, one full time Wildlife Specialist, and three seasonal Wildlife Specialists.

**DUTIES:**

- The incumbent conducts integrated wildlife damage management activities where there is a demonstrated need, consistent with the planned use of any given area to prevent or reduce losses to property, agriculture, and natural resources, or to protect human health and safety. Management techniques and/or methods include the recommendation or use of pesticides, controlled substances, pyrotechnics, firearms, binary explosives, aversive agents, auditory devices, exclusion, habitat modification, trapping, and other mechanical or environmental controls.
- May perform a variety of technical procedures including capture, restraint, chemical immobilization, marking, transport, euthanasia, and/or necropsy of wildlife; collection, storage, and safe transport of biological data and samples; telemetry; GIS; GPS; population

census and survey; and surveillance and monitoring; gathering, compiling, and analyzing data to facilitate statistical analyses.

- Modifies or adapts established damage techniques as necessary to meet local conditions and address specific environmental, economic, or political considerations.
- Monitors and ensures compliance with program directives, and local, State, and Federal laws and regulations in wildlife damage management activities. Assists cooperators in understanding of and compliance with the Migratory Bird Treaty Act (MBTA), Endangered Species Act, Bald and Golden Eagle Protection Act, and other wildlife-related laws.
- Through supervisor and with assistance from the WS National Environmental Policy Act (NEPA) staff, develops and maintains categorical exclusions, environmental assessments, monitoring reports, and other documents required by NEPA. Prepares required scientific and administrative program reports. Assists cooperators and the public with obtaining migratory bird depredation permits.
- Gathers, compiles, evaluates, and presents data on damage or hazards caused by various wildlife species to cooperators, stakeholders, and colleagues through project or program reports and presentations at cooperator, stakeholder, and public meetings and professional conferences.
- Establishes and maintains cooperative relationships with other Federal, State, county and city government agencies, Tribes, corporations, educational or research institutions, and individuals in meeting program needs and goals. Represents the WS program on committees and task forces, and at meetings, conferences, and workshops with these groups.
- Provides technical assistance to a variety of cooperators, along with conducting site visits or assessments to identify wildlife damage issues or threats. May develop and deliver training for cooperators, stakeholders, partner agencies and organizations, or other entities.
- Communicates safe and effective damage management techniques through outreach and other channels to the general public. Information may be disseminated by radio and television news releases, interviews, bulletins, presentations, workshops, outreach events, and other methods.
- Assists other WS employees as requested and may assist in training new WS personnel. May be asked to provide technical direction and/or guidance to lower graded employees.

Experience refers to paid and unpaid experience, including volunteer work done through National Service programs (e.g., Peace Corps, AmeriCorps) and other organizations (e.g., professional; philanthropic; religious; spiritual; community, student, social). Volunteer work helps build critical competencies, knowledge, and skills and can provide valuable training and experience that translates directly to paid employment. You will receive credit for all qualifying experience, including volunteer experience.

**HOW YOU WILL BE EVALUATED**

Applicants who meet basic minimum qualifications may be referred to the hiring manager for selection. Qualified candidates eligible for veterans' preference will receive referral and selection priority over non-veterans.

**OTHER REQUIREMENTS: (if applicable to your position)**

- Must obtain or have a valid U.S. driver's license. Operation of Government-owned or leased vehicles is required.
- As a condition of employment, appropriate security clearance is required for this position.
- Position is subject to random and applicant drug testing.

- Must demonstrate a respect for safety in all operations, including the operation of motor vehicles, firearms, control devices, and equipment.
- In order to perform the essential duties of this position, you must have the legal and physical ability to possess and discharge firearms. You must be able to pass a government background check and meet any additional requirements to carry and use firearms. A background check will include answering questions about where you've lived, worked, went to school, and any military history or police records. Selection and retention in this position is contingent on a successfully adjudicated FBI National Criminal History Check (fingerprint check).
- The work requires moderately strenuous physical exertion. Physical exertion includes lifting moderate weights, walking over wet, rough, uneven, muddy, or rocky surfaces, bending, crouching, and stooping, stretching or similar activities. This work does require average agility and dexterity. The job also requires a flexible schedule, working odd hours, possible weekend work, and must be conducted at the affected site.
- There is sporadic and irregular exposure to moderate risks and discomfort, such as adverse weather conditions, noisy environments and extensive travel. The incumbent is expected to conduct all duties in a safe and orderly manner to prevent injury to self, fellow workers, cooperators or property.
- The incumbent will be required to have or quickly obtain certification as an Airport Wildlife Biologist.
- The incumbent will be required to successfully obtain and maintain all secure access credentials, vehicle operation certifications, and other certifications or trainings required by the agency and host entity for operations.
- Direct Deposit: Per Public Law 104-134 all Federal employees are required to have federal payments made by direct deposit to their financial institution.
- Occasional travel may be required.
- Successfully pass the E-Verify employment verification check. To learn more about E-Verify, including your rights and responsibilities, visit <https://www.e-verify.gov/>.

**Emergency Response** – APHIS is an emergency response agency. This means that all Agency employees may be asked or assigned to participate in rotating temporary duty assignments to support emergency programs at some time during their careers with APHIS. It is difficult to predict the frequency with which such emergency situations may occur – and could range from several emergencies in a year to none over the course of many years. In the event that you are called upon to support an emergency program, this may require irregular working hours, including overtime, and may include duties other than those specified in your official position description. While some emergency program support assignments may be able to be performed at the employee's current duty station, in other cases employees may be asked to go on-site to a temporary duty state location. In addition, it may be necessary for employees to participate in multiple rotations to an emergency program assignment. Attempts will be made to keep disruption to the employee to a minimum.

**Reasonable Accommodation Policy-**

Federal agencies must provide reasonable accommodation to applicants with disabilities where appropriate. Applicants requiring reasonable accommodation for any part of the application and hiring process should contact the hiring agency directly. Determinations on requests for reasonable accommodation will be made on a Case-by-Case basis.

A reasonable accommodation is any change in the workplace or the way things are customarily done that provides an equal employment opportunity to an individual with a disability. Under the Rehabilitation Act of 1973 the Equal Employment Opportunity Commission (EEOC) must provide reasonable accommodations:

- An applicant with a disability needs an accommodation to have an equal opportunity to apply for a job.
- An employee with a disability needs an accommodation to perform the essential job duties or to gain access to the workplace.
- An employee with a disability needs an accommodation to receive equal access to benefits, such as details, training, and office-sponsored events.
